Commissioner for Patents
P.O. Box 1450
Arlington, VA 22313-1450

Sir:

In response to the Office Communication mailed February 5, 2004, in which Applicants' Response dated January 20, 2004 did not comply with the Amendment Practice under 37 CFR 1.121, Applicants re-submit the following replacement section entitled, Listing of the Claims (which began on page 2 of our initial January 20th Response), below. This section now complies with the amendment practice under 37 CFR 1.121.

Applicants also wish to bring to the Examiner's attention that Claim 47 in the response of January 20, 2004 was inadvertently listed in its original form and was designated as an original claim when, in fact, the claim had been amended. Accordingly, Applicants have now listed Claim 47 in its amended form and designated the claim as previously amended.
